LEE HARVEY OSWALD, aka;
ASSASSINATION OF PRESIDENT JOHN FITZGERALD KENNEDY
11/22/63 AT DALLAS, TEXAS
AFO
(OO: DL)

Mrs. FLORENCE ANDREWS, 355 Stuart Avenue, Indian River City, Fla., advised telephonically today she is a member of the Anthropological Society of America, and she observed in the Saturday Evening Post dated December 14, 1963, on page 24, a photograph showing the first shot striking the President in his assassination. Mrs. ANDREWS stated that there can be observed standing in front of the Book Depository in the doorway at the left pillar the figure of a man. ANDREWS stated if this photo were blown up, this man could be identified by hairline and jaw line as LEE HARVEY OSWALD, therefore making it impossible for him to have been the assassin.

This being furnished for information only.

Above individual already identified as Bill Lovelady RB
